Charities

URGENT - During these difficult times, Hillingdon Food Bank plays an increasingly important role in helping those in our community who are struggling. Anyone who needs their help can call 01895 252224 or email hillingdonfoodbank@kingsborough.org.uk for advice about how to apply. If at all possible, please continue to donate items of non-perishable food to the organisation. These can be left in the containers in the church porch, or if more convenient for you, in those which are provided in local supermarkets. Thank you

Our charity for this month is Michael Sobell Hospice, which provides care, comfort and support for local people facing life limiting illnesses. Their clinical team offers medical, nursing and emotional care along with practical support for patients & their families. Their aim is that every patient should experience a journey towards the end of their life that is peaceful, comfortable and free from worry and pain. It is a special place, where patients and families can spend precious time together. The Charity needs to raise at least £1.2 million every year to ensure this continues. We have set up a JustGiving page, the address is <https://www.justgiving.com/fundraising/St-Lawrence-Church-Eastcote1>

Count Your Blessings fundraising money is being donated to Feed the Hungry; A Just Giving website has been set up <https://feedthehungry.org.uk/donate-online/>

Please support these charities if you can, links to them are at the top of the home page of our church website <https://www.st-lawrence-eastcote.org.uk/>

COVID - There are three simple actions we must all do to keep on protecting each other

- **Wash hands** - keep washing your hands regularly
- **Cover face** - wear a face covering in enclosed spaces
- **Make space** - stay at least 2 metres apart - or 1 metre with a face covering or other precautions
